Support ActionAid's work

You can support ActionAid Kenya's work with women and girls as a regular giver, an Ambassador, a child sponsor, through your payroll, with a corporate partnership and as a friend.

Regular Giving

This enables you to make regular (monthly/annual) donations in a structured way in support of ActionAid Kenya's work of helping Kenyans living in some of the most excluded communities out of poverty and thus create a more balanced and secure society for us all.

Child Sponsorship

With a regular financial gift you could provide a child with clean drinking water, enough to eat, an education, and a better tomorrow. Your support would transform the life of a child in Kenya living in extreme poverty by providing them with enough to eat, an education and a brighter future.

The funds collected from individual supporters are pooled together in order to address the most urgent and immediate need of the community in which the child lives so that it is not only one child benefiting but rather the whole community.

Donate

Be part of our regular giver or a child sponsor in areas where ActionAid Kenya works and become a champion for communities.
